WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., MONDAY, OCTOBER 17, 1904.

ONE COPY—ONE CENT.

Harmony and Reciprocity.

Oh, happy outcome—
Harmony
'Twixt William J.
And Alton B.
The cross of gold
Held up today
By Alton B.
And William J.
It's mighty tough
On William J.,
But as he grunts
And tugs away
His soul may soak
In harmony
Poured out on him
By Alton B.
Oh, happy outcome—
Is there bliss
This side of heaven
More than this?
Breathes there a man
Who would have bet
They'd get together
With this get?
And still it is
No more than right,
Because in nineteen hundred's
Loosing fight
A vote was cast
By Alton B.
For William J.
And harmony.
—W. J. Lampton.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Elder J. Taylor Sharrard of Paris has accepted a call to the Christian Church at Flemingsburg.

A smooth, substantial brick pavement has replaced the corn-broeder that did service as a walk for so many years in front of the Central Presbyterian Church. Thanks.

There were twelve coaches in the C. and O. excursion train yesterday, and this being the last of the season was well patronized. Many got off here, while a considerable number from this city boarded the train for up-river towns.

Dr. and Mrs. N. H. McNew of Carlisle were guests the past several days of Mr. and Mrs. C. W. Garnett of Forest avenue. Besides being Editor of The Carlisle Democrat, Dr. McNew is presiding Judge of Nicholas county, this being his second term.

The fellow who set fire to Captain Alex. Johnson's fishing shack at the foot of the upper grade Saturday night thought he was perpetrating a huge joke, when in fact it was a mean trick that entailed a loss of several dollars in fishing tackle to the clever Captain.

Mr. John L. Walsh, who has a position with L. C. Eisenhardt Bros., one of the largest manufacturing jewelry establishments in the country, located at Newport, came up yesterday to visit his parents, Mr. and Mrs. John Walsh of East Second. He was accompanied by Mr. Walter Eisenhardt, junior member of the firm.

The Maysville Telephone Company, ever generous, will in a few days place a 'phone in the Public Library Building in Sutton street free of charge. This is certainly kind of the manager, Dr. Edwin Matthews, and will be a convenience greatly appreciated by the Librarian, Miss Richeson, as well as the public at large.

WILLIAM SIMPSON.

Mr. William Simpson, whose critical illness has been frequently noted, passed away Friday last at his home in Philadelphia.

Deceased was the son of Mr. James Simpson of West Second street, and though having made his home away from Maysville for many years, is quite well remembered here.

His sister, Miss Margaret Simpson, had been at his bedside for some three weeks.

Mr. Simpson is survived by his wife and three children.

EUCHRED FIGS.

"Euchred" is old English for preserved. Fresh, ripe, California Figs, thoroughly permeated with the spiced, sweet liquid in which they are preserved, are the delectable, most delicately flavored accompaniment to a dinner imaginable. Include a jar in your next order.

BOWER OF BEAUTY

Mrs. Henry Crawford's Attractive Home in the West End

Of the many beautiful views and sights about historic old Maysville none is grander or more inspiring than that presented to the eye from Horseshoe Bend on the Germantown pike.

Here the beauty of God's handiwork may be seen in panoramic form.

The peaks and hills rising in majestic mein on the Kentucky side, and the verdant valley with the dark outlines of hills fringing the distance on the Ohio, and the river winding and threading its sinuous way to the sea, is a picture that entrances the eye and is subject matter that the soul may feast upon.

Dotted along this romantic travelway are many flower gardens of rare beauty, and particularly that of Mrs. Henry Crawford.

This lady has converted a hillside, almost an arid waste, into a veritable Bower of Beauty, and with its many choice and variegated flowers the surroundings are transcendently beautiful.

Here are thousands of red, white and pink dahlias, growing ten feet high and covering a large space of ground.

It is doubtful if one can pass this place without stopping for time to drink in the loveliness of the scene.

Card to the Public

Editor of The Ledger: The published report of the proceedings of the City Council on Friday night do the Street Railway an injustice. The facts in the case are as follows, and the reader can judge for himself:

Several weeks ago the Street Railroad was notified by the Chairman of the Internal Improvement Committee that the city intended to repair Second street from Wall to Shultz.

Shortly afterwards the Internal Improvement Committee and representatives of the Street Railroad met together in the Council Chamber.

The subject was discussed and the conclusion was reached that Mr. Hord, then in the employ of the city in connection with the new sewer, should be directed to establish a grade from Wall to Shultz, and the Street Railroad should be governed by it.

In this connection would say the representatives of the Street Railroad urged that, while the Engineer was at work, he should establish a grade on all the streets occupied by the Street Railroad, so that all work in future should conform to this established grade.

A few days after this meeting the Street Railroad was informed by the Chairman of the Internal Improvement Committee that the Mayor had declined to allow the Engineer to act in connection with the work.

Thereupon the Chairman of the Internal Improvement Committee, with Mr. Holiday, Superintendent of the Street Railway, and the writer went over the ground from Shultz to Wall. Instructions were given by the Chairman that the rails should be raised so there would be two or three inches fall from the rail to the gutter curb on South side of street. The Street Railroad entered upon the work at once, although this section of the track had been worked over during the past summer at considerable expense and put in good condition.

The Street Railroad understood that the city would enter upon their part of the work at once, and if this had been done there would be no complaint. Mr. Dodson, in conversation with the writer, said the grade was all right. The damage he complains of is done by the city not filling in the street.

The Street Railroad, in the work it has done, has followed the instructions of the Chairman of the Internal Improvement Committee, whose authority has never been questioned before.

In Justice to the Chairman, would say we believe his instructions were correct, and this will be proven when the street is completed. This is also the opinion of a number of practical men who have been consulted.

We object to being denounced for doing something that the authorized representatives of the city required us to do.

The City Council Friday night instructed Mr. Hord to make a survey of the street. We urged that this should be done before any work was commenced. R. A. COCHRAN, Secretary of Maysville Street Railroad and Transfer Co.

Of the revenue of the Chesapeake and Ohio Railway, 80 % is derived from freight traffic.

Mr. R. Porter Alderson, son of Rev. and Mrs. S. B. Alderson of Portsmouth, had a providential escape from serious injury a few days ago. Mr. Alderson and another commercial traveler were on their way from Moundsville to Wellsburg, W. Va., and Mr. Alderson did not hear the call for the station, so jumped from the train after it started from Wellsburg. His companion was asleep in the smoker, oblivious of his proximity to his destination, and was carried on into the collision that occurred three miles from Wellsburg, and was so badly crushed that his recovery is doubtful.

Has Moved.

THE MUSIC IN "THE LIBERTY BELLES."

In producing Harry B. Smith's musical comedy, "The Liberty Belles," which will be the attraction at The Washington on Friday night, Mr. Berger, the Manager, departed from the customary way of having the songs and music composed by one man. Mr. Berger considered that a greater variety of styles could be secured by calling in different musical geniuses. Accordingly, the score of "The Liberty Belles" possesses a wider variety than has ever before been noticed in a production of this character. The songs for both principals and the minor members are of the merriest and most catching. In addition to some sixteen musical numbers there also will be seen a number of dancing specialties. Seat sale opens at Ray's Wednesday morning.

Mr. Charles Breeze is ill with rheumatism at his home in East Fourth street.

There are 26 inmates in the County Jail, charged all the way from stealing diamonds to the jimjams.

Saturday evening at the Postoffice corner Aunt Hester Stanton attempted to board a car with a basket of groceries swung on her arm, when she made a misstep and fell. The only damage was the scattering of her groceries, which were soon gathered up.

Mrs. H. S. True and child, who are down with a malignant case of diphtheria, are in a critical condition this morning. There is said to be scarcely any hope for the child. Miss Alchor, a trained nurse of Ripley, arrived this morning to take charge of them.

There was a large audience at the sale of personality of the estate of the late Philip Friend Saturday, and stock, implements, &c., brought good prices. The farm of 75 acres was withdrawn at \$26 per acre, and placed in the hands of John Duley, Real Estate Broker.

In Ray's drugstore window is exposed to view an enlarged picture of one of THE LEDGER's valued and handsome attaches, Mr. Louis Schatzmann. The subject is taken from an ordinary photograph and enlarged to life-size and finished in water colors. It is the work of an artist, and the many encomiums passed upon it by connoisseurs who are attracted by its beauty and perfect reproduction, are justly merited. The work was done at the Art Gallery of D. N. Honse, Cincinnati, who married Miss Eva Schatzmann of this city.

Sunday morning as Sam Rosser was driving his milk wagon up Third, and when opposite Limestone street, a linchpin broke, separating the forward wheels from the running gear and letting the body of the wagon drop to the ground. This will explain why so many of Mr. Rosser's customers were disappointed in not getting their usual allowance of milk.

What the Japs are doing to the Russians is a plenty.

CINCINNATI is still enjoying the luxury of a couple of strikes and a few dozen daily riots.

In attempting to pick flaws in President Roosevelt's Administration of public affairs the Democrats have picked an uncommonly large number of live wires.

What a pity Mr. WINDOM doesn't come over from Washington and see what a magnificent mux he made of it in choosing a site for Maysville's Public Building.

ONE thing will be of interest to the antiquarian—Maysville's Public Building will mark the one-time location of Limestone creek: one end of it will stand in the bed of that ancient and honorable stream.

Of course, the projectors of the new Government Building can and will "find bottom;" but the cost for concreting will balance the price asked for ground that was made by the Almighty, and not a "dump" for logs, brick-bats and tanbark.

THE longest name in the world is believed to be that of Miss ANNIE KEHOANAKALAIN-HUEAKAWOLOAIKANAKA, whose letters were addressed to Honolulu, H. I.; but, then, that isn't a patchin' to the words that the Democrats of the Ninth District will work off when Judge BENNETT is elected to Congress.

The people at large acquiesce in the Protective Tariff system. It is only the Democratic party that is forever trying to disturb it. After the severe lesson of the last Democratic tinkering with the Tariff, it is a wonder that a party has the temerity to ask the voters to try it again.

This country is irrevocably committed to a Tariff based fundamentally upon ample recognition of the difference in labor here and abroad and in recognition of the need for the full development, the comfort, the high standard of living, of the American workingman as compared with the workingman abroad.

The Kentucky Democratic papers that are howling about Republican crookedness in 'way-off places, are careful to say little or nothing of Democratic rascality in their own state—the latest evidence of which comes from Hopkinsville. At the instigation of Dr. WALTER A. LACKEY, who was recently removed as First Assistant Physician at the Western Asylum for the Insane, Superintendent MILTON BOARD, Commissioners C. H. BUSH, JOHN B. CHILTON, M. W. JOHNSON, F. M. QUARLES, Treasurer L. H. DAVIS and Secretary J. C. BECKNER were indicted by the Christian County Grand Jury for malfeasance in office. Dr. LACKEY was indicted for committing assault and battery on an inmate. Superintendent BOARD is charged with padding payrolls and with keeping a dead man on the rolls for several months, while the Commissioners are indicted for selling supplies to the Institution. All are charged with presenting to State Senator GUS W. RICHARDSON two heifers belonging to the state, in return for his efforts in securing from the last General Assembly the \$75,000 appropriation for the Western Asylum. This last charge is admitted to be true. Senator RICHARDSON was a member of the Senate Committee that visited the Asylum and recommended the appropriation. A nice nest of "grafters," to be sure!

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. Mrs. Cora Stockton, colored, aged about 30 years, died Saturday night at her home on Hord's Hill of diphtheria, after an illness of about ten days. She was buried yesterday morning.

While there is no need for alarm or a big scare yet it is just as well that the facts be known that there is considerable diphtheria in the city, especially in the West End. Quite a number of cases can be traced as having emanated from an infant class in the First Ward School. It is said an alley in the immediate vicinity is in a filthy condition, and the putrid vapor that arises may be the cause and breeder of disease. The Board of Health ought to look into the matter, and proper steps taken if need be to nip this dreadful disease in its incipency. An ounce of prevention is worth a pound cure.

FELL OVERBOARD

"Arter Dark" Suns Falls From Steamer Katie Mack

William Suns, better known as "Arter Dark" Suns, fell from a barge towed by the steamer Katie Mack and was drowned opposite Conl Haven on Monday last.

His body was found at the foot of Hazen street, Cincinnati, Friday last.

Suns's mishap is said to have resulted by his being asleep on a forward part of the barge. He was suddenly awakened by the rain which came up, and as he jumped lost his balance and fell into the river.

The theory is that wounds in his scalp were from being struck by the wheel, as his fall was purely accidental and he had been bit by no one.

IS THIS SO?

Maysville People Can Decide

You would not accept the word of an utter stranger as readily as that of a person whom you knew. The following statement is made by a citizen, perhaps a neighbor. Read it:

Mrs. Mary Kinsler of 362 East Fourth street says:

"I sent a box of Doan's Kidney Pills, obtained at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, to a relative living in the country who was much troubled with kidney complaint. The results obtained from Doan's Kidney Pills show that only terms of highest praise express the great curative properties of the medicine."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
